RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

TO THE COMMISSIONER FOR PATENTS:

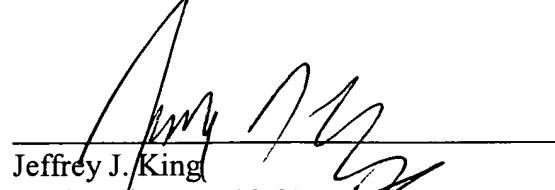

In response to the Notice of Non-Compliant Amendment, mailed May 18, 2005, Applicants submit the following Substitute Amendment and remarks.

The Notice of Non-Compliant Amendment indicated that the Amendment mailed on May 5, 2005 (received May 9, 2005) is Non-Compliant for failing to provide a complete listing of all the claims.

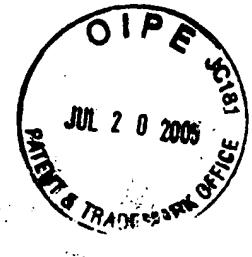

Applicant notes that the indicated defect relates to the failure of the May 5, 2005 Amendment to specifically reference previously-cancelled claims in the Current Version of Claims provided.

A Substitute Amemendment is submitted herewith correcting the noted defect. The Amendment is presented with the presumption that the defective, May 5, 2005 Amendment has not been entered. Therefore, the present, Substitute Amendment is intended to replace/supercede the May 5, 2005 Amendment, which should thereby be considered stricken from the file for other than procedural/record purposes.
